AUSTIN MOTEL

EVENTS DECK

HISTORY OF AUSTIN MOTEL

The Austin Motel opened its doors in 1938, and its landmark neon sign has been brightening South Congress Avenue ever since. The redesign was inspired by a few decades that stood out as important moments in the motel's history: the 1930s, when it was built; the 1950s, when it was in its heyday, and the 1980s, when Austin was sort of at the end of its "cosmic cowboy" era, right before the city started changing.

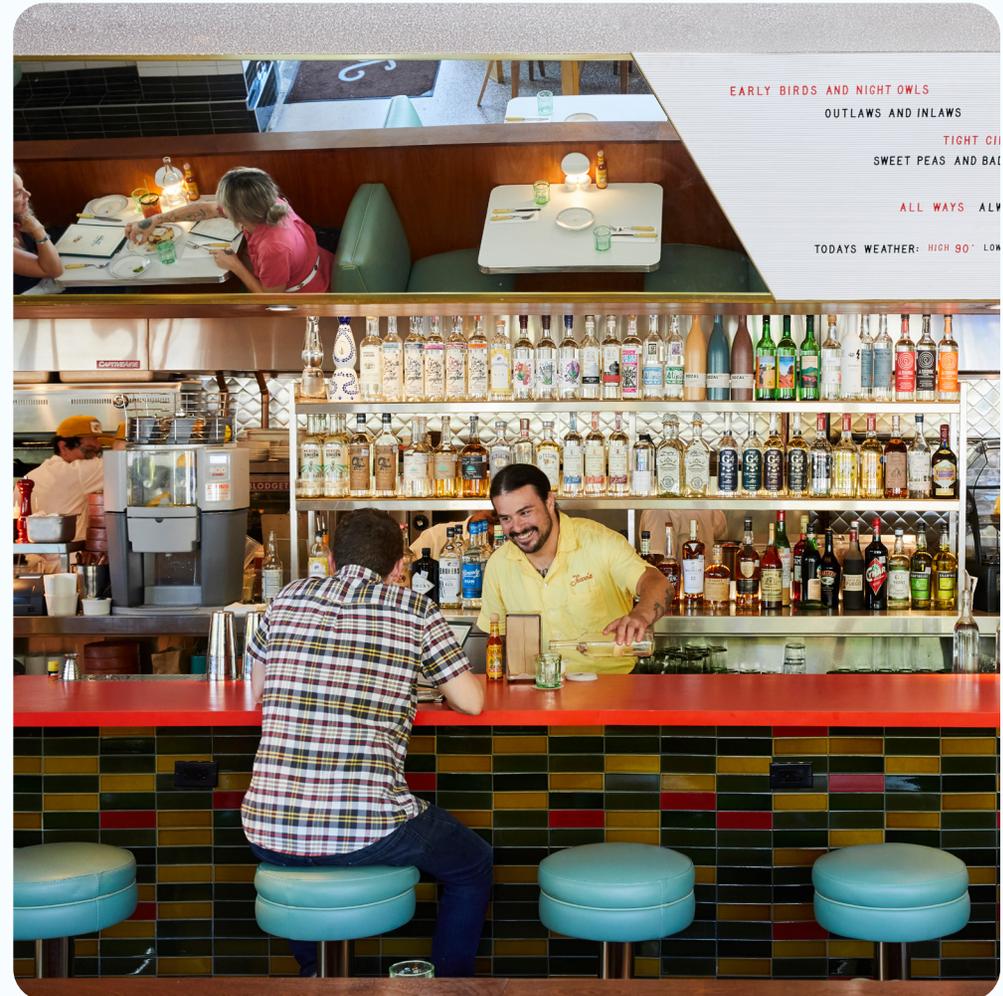

Joann's FINE FOODS

Joann's Fine Foods is a South Congress neighborhood spot, a new take on the American diner, and a vacation for locals and tourists alike. Open early and late at the Austin Motel, Joann's is a welcome respite for early birds and night owls, outlaws and in-laws, all ways always.

The menu is a tribute to diner culture featuring Tex-Mex favorites and California inspired healthy options. Classic breakfasts, milkshakes, enchiladas, fish tacos on house-made tortillas, colorful salads, daily juices, and an impressive mezcal collection all find a home here. There's something for everyone - when in doubt, just say "meet me at Joann's."
