Neighborhood Sushi

Neighborhood Sushi's semi-private dining room occupies the north half of the restaurant and is equipped with a vaulted ceiling, beautiful lighting and blonde wood detailing.

The warm interior space offers a wine, beer, and sake bar, two large maple slab family-style tables, and plenty of buffet counter space. The room lends itself well to a variety of special occasions including intimate dinners, cocktail parties, holiday events, showers, corporate gathering and buffets, just to name a few.
